Sirs:

I support Senate Bill 1129.

On Wednesday, April 1, a public hearing will be held on a proposal which aims to reform the early release system.

- The bill adds manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant woman resulting in loss of fetus as crimes for which a person cannot earn risk reduction credits.
- The bill would also require a prison warden to review and sign off on risk reduction credits earned by an inmate.

Please pass this bill and reform the early release program.
